

# BPS SPORTS CARNIVAL WRAP

Hello parents of Beeliam,

Wow, what an amazingly crazy last couple of weeks involving our Field Events Day, the possibility of inclement weather, postponement of our carnival, re-painting of our track and finally the beautifully shiny weather that eventually found its way to Beeliam in time for our Carnival just six days ago.

I'd firstly like to thank our wonderful Beeliam staff, from announcer to recorder to marshal and every role in between. The staff that you all see daily in your children's classroom put in a tremendous amount of effort in the lead up to and buy into the atmosphere and idea of what a Beeliam Sports Carnival is.

They were superb, as they always are, in ensuring your children had the most exciting, exhausting and joyous occasion that they could.

Their effort, commitment, passion and energy was absolutely infectious and I can't speak highly enough of them.

Our students, your children, were incredible with the dedication that they brought to the day and every race, team game or rotation that they participated in. The sportsmanship and 'fair play' that was on display throughout the event left everyone feeling happy and with a sense of accomplishment.

They all just stepped up, stood tall and displayed a Beeliam spirit like no other.

Lastly to you, parents, grandparents, aunts, uncles and every other family relation or friend, your support of this event was amazing.

You came out in numbers and provided an astounding ambience around the oval and I just hope you got to enjoy the day as much as your kids did, and got the chance to catch your child with a beaming smile from ear to ear sometime throughout the carnival.

To celebrate the success of the day, I thought it would be an awesome opportunity to give your children a platform to be proud of the achievements they accomplished throughout the event.

This Monday, **September 18**, we're promoting the **#getoutyourribbons**. We want every student to have the opportunity to wear all their ribbons on their shirt that they have received for the day and wear it proudly.

Thanks and regards

Adam Batt
