## Positive Parenting Program

Most of the time parenting is great fun. You know you are doing a good job, but there are times when things get a little tricky. Like when your toddler won't eat her dinner. Or your six year old won't pick up his toys. Maybe your child never seems to listen. If only someone could give you some ideas to make those times easier!

If this sounds like you, then Triple P Seminars may suit!

### **What are Triple P Seminars?**

Triple P Seminars are for groups of parents with children aged between 3 and 10 years. Group size usually ranges from just a few parents to 20 or more. They are informal presentations, and you will have opportunities to ask questions.

There are three seminars in the Triple P Seminar Series. You can choose to attend just one or two, or all of them. They deal with the most common parenting issues we all face.
