Dear Parent and Carers,

We are conducting a parent survey in order to better gauge how the school community views the school's strengths and weaknesses. It is known as the *National School Opinion Survey* and is a standardised tool for gathering the opinions of the community. The survey is anonymous so please understand that your responses will be treated in confidence.

At BPS we value what you have to say and the results of the survey will help to inform our planning for the future. There are a number of different ways that you can complete the survey.

1. Place the following IP address into your browser window and it will take you the survey website
<https://www.schoolsurvey.edu.au/s/8FMN7jv2>
2. Click on the same link that will be sent home tomorrow on Flexibuzz (Wednesday 18th October)
3. Visit the office and they will be able to give you a paper copy of the survey that you can complete and then return.

The survey will remain open until December 1 2018, after which it will close so we are able to analyse the data. If you have any queries with regard to the survey please contact the school Administration and we will be happy to help. Thank you very much in anticipation of completing the school survey, we look forward to seeing your response.

Kind Regards

Louise O'Donovan (Principal)
Karen Ford (Deputy Principal)
Daniel Mort (Deputy Principal)
