

Dear Parents and Carers

This Friday we are having our ANZAC Day Commemorative Service and we would like to invite you all to come along. The service will be run by our Student Councillors according to the details below.

Date: Friday 13 April

Time: 9:00am – 9.45am

Venue: Grassed area below the flagpoles.

As part of the service representatives from each class will place some flowers at the base of the flagpoles as a mark of respect. We ask that students please bring one or two flowers that can make up their class bouquet. These should be brought on Friday morning.

At the conclusion of the service, parents and community members are invited to attend a morning tea with the Student Council in the library. We hope you can attend this special service.

Kind Regards

Daniel Mort  
Deputy Principal  
Beeliam Primary School
