

Dear Parents and Carers

We are excited to announce the launch of the Beeliar Breakfast Club. We want all of our students to be able to get off to a healthy start to the day and having a full belly is certainly a necessity for productive learning.

The club will be run by school volunteers and the Student Leadership team. The details are as follows:

Venue:	Block 4 (Senior Block) Verandah and Wet Area
Days:	Monday, Wednesday and Friday
Time:	8.00 – 8.30am <u>(on those days only!)</u>
Who is welcome:	All Beeliar Primary Students are welcome from PP – Year 6
Cost:	We ask for a <b>coin donation (of any size)</b> to help with the purchase of perishable items that we cannot source from elsewhere

We have secured the support of Foodbank Australia to assist us with the provision of the food. Some of the options will include; cereal, toast, baked beans – and occasional treats. It will be a fun morning with some music and a relaxing start to the day.

Once we have established the format we will be seeking some members of the school community to assist us with this worthy cause. Please consider over the coming weeks if you might like to be a part of the program.

Kind Regards

Louise O'Donovan
