

Collecting your child

It is important to always adhere to the following collection/drop-off procedures:

- Children must be signed in and out by an authorised person listed on the child's online enrolment form
- Families may provide notification of the name of an alternative person who will collect the child, including details of their relationship to the child, by updating their account online through our website
- Identification must be presented upon collection. It is recommended that families and emergency contact nominees always carry identification
- Children are only able to leave the service by being physically signed-out by an authorised person.

Late pick-ups

If a family member or nominee is late, then a fee may be charged, as per your Key Service Information, to cover the extra costs of this time.

Medication

Medication can only be administered to a child with a Medication Authorisation Form signed by the family. The medication must be clearly labelled with the child's name, required dosage, time, date and storage requirements.

Asthma and Anaphylaxis

All children with Asthma or Anaphylaxis must provide their own Auto-Adrenaline Device and/or Inhaler and spacer. Asthma and Anaphylaxis Medical Management Plans must be given to the Coordinator. These plans need to be in colour and signed by a doctor. The family is responsible for updating the Medical Management Plans annually.

Vacation Care

Our Vacation Care services are jam packed with exciting activities, as well as incursions and excursions. Details of the activities that are available can be reviewed on the OSHClub website four weeks prior to the Vacation Care period.

Please refer to the Vacation Care brochure for activity details and fees, as well as information on any meals or snacks that might be included for specific sessions.

If food is not included with a Vacation Care session, please make sure any food you pack for your child does not need to be heated or cooked, and remember not to bring food containing nuts or any other potential allergens.

Your child will also need a SunSmart hat, comfortable clothing and shoes. Please leave all valuables such as money and electronic items at home. If your child needs to wear a specific brand of sunscreen for medical reasons, please pack this for your child. Payments for Vacation Care bookings are made through direct debit one week in arrears. Cancellations for Vacation Care need to be made 7 days prior to the session for a full refund to be given.

What happens at OSHClub?

After a structured school day, it is important for children to have the chance to relax and participate in activities they enjoy.

At each session, we provide a selection of structured and unstructured activities, offering children plenty of choice. The experiences offered teach children a variety of skills, through planned activities that are guided by the National Quality Framework.

The service also offers children the opportunity to relax and play with their friends – and just be children! Our services are all about providing children with choices.

The environments are set up in an engaging and interactive way to ensure children have access to ample resources, such as art and craft materials, sports equipment, board games and much more!

Food

We provide healthy, fresh and nutritious food.

Menus are adapted as required to cater for children’s specific dietary/cultural requirements and preferences. The children’s suggestions are included in our menu planning.

How to pay

Payments are made either by credit card (VISA or Mastercard) or by direct debit from a nominated bank account. Families are charged fortnightly in arrears. Usage statements are available online. Credit cards and/or bank accounts are automatically debited with the amount owed after any rebates are applied.

Accessing fee assistance/rebates

Enrol for Child Care Benefits (CCB) and ensure you receive any entitlements applicable. Most families also receive the 50% Child Care Rebate (CCR). These benefits make our services incredible value.

All families claiming CCB for approved child care must have their income assessed by the Department of Human Services, as CCB is a discount based on family income. Families on the lowest incomes receive the highest rate of assistance.

CCR is not means tested. Most families are eligible for this rebate and will receive a 50% discount on their out-of-pocket costs. Make sure you nominate the CCR to be paid as an immediate discount which eliminates the need to wait for a refund. Contact Centrelink on 13 61 50 for details on how to register.
