

TWINKLE TOES CHRISTMAS CONCERT

Dear Parents and Carers

This year's 'Twinkle Toes' Christmas Concert will feature each class performing a dance to represent a different genre of music. The main purpose of the concert is to provide a fun and safe opportunity for your children to step out of their comfort zones and experience the exhilaration (including the butterflies) of performance. It is an important step in recognising and managing how they feel (nervous, anxious, excited) and building strong, confident and happy children.

I have attached a costume **guide** for each class. I have also stressed with the children that costumes help set the scene for our genre and create an energy for their performance, but people are coming to see them perform not their costumes! Please do not stress or go out of your way to buy costumes for the concert. I have tried to include items that the children may already have in their wardrobes. Where you see Christmas colours please think about red, white or green colours. Items in the list that are **underlined** I will provide from the music room dress-up box. If you have any questions, I am available before and after school in the music room or at tracey.rick@education.wa.edu.au. Please do not hesitate to come and see me.

This year the Christmas Concert will be in the amphitheatre under the shade sales on **TUESDAY 11 DECEMBER from 11.30am**. There will be a family picnic (11am recess) before the concert and the children will return to their classrooms to change into their costumes on the siren. As there is a book award assembly in the morning we ask that the children come to school in their school uniforms.

PARENT BUSY BEE

I am looking for volunteers to come along and help me with a costume busy bee in the music room on Friday 23rd November at 2pm. It is a lovely chance for me to get to know you and have a chat. Just drop in...Everyone's welcome (and there's no sewing!).

Happy Day
Tracey Rick

TWINKLE TOES CHRISTMAS CONCERT
