

THE HAPPY DAY

The **Happy Day** is a whole school celebration that will occur at the end of term one. The purpose of the Happy Day is to bring our school community together under the Stand Tall **SPiRiT** Pillar and share a day full of fun and laughter that creates happy Beeliar memories for our children, staff and parents.

This year The **Happy Day** will occur instead of the Harmony Day celebration. Beeliar PS will alternate between the Multicultural focus and Mental Health focus every two years to broaden our students learning outcomes and experiences. The **happy** news is that the P&C **COLOUR RUN** will be incorporated in to the day!

We would love our parents and wider community to come along and join us for the afternoon.

The **Happy Day** is on **THURSDAY 2 APRIL** and this is the schedule for the day:
